

February 4, 2010

Dear Vendors,

As a past vendor at the Crossroads Festival in Corinth, Mississippi, the festival committee would like to inform you of changes taking place for this year's event. The cook-off in years past has been held at the Crossroads Arena. However, this year it will be held in conjunction with the Green Market at the Corinth Depot (215 North Fillmore Street) in downtown Corinth. To that end, all vendors for this year's cook-off must fit the criteria of the Green Market at the Corinth Depot. To sell at Green Market items must:

- Be handmade or homegrown – Green Market is a producer's market only
- Be grown or made within a 100-mile radius of Corinth, Mississippi
- Be approved by the Green Market committee

Green Market sellers will be the only vendors for this year's chili cook-off event. Should your items meet these criteria, please contact me at karenbeth@corinth.net or 662-287-8300 for a Green Market application. As for concessions, we will only have one food concession stand and have already selected that vendor.

Again, should you have any questions about these changes or selling at Green Market, please contact me at karenbeth@corinth.net or 662-287-8300.

Thank you!

Karen Beth Martin
Program Director
Corinth Area Convention and Visitor's Bureau
